ELIGIBILITY

*If you are passionate about helping people improve their wellbeing, reach their full potential and lead a happier life, a career in community services might be ideal for you.*

This qualification reflects the role of entry level community service workers who support individuals through the provision of person-centered services. Work may include day-to-day support of individuals in community settings or support through the implementation of specific community-based programs. At this level, work takes place under direction of others and supervision may be direct or indirect. Work may take place in a range of community services organisations.

**Students are required to take part in an industry placement in order to successfully complete this qualification.**
