CHECK YOUR
ELIGIBILITY

Get your business off to a solid start with professional skills and knowledge across strategic planning, financial management, and digital marketing.

This qualification is ideal for those who are currently the owner, manager, or employee of a small business, those who are seeking to establish a new venture as a part of an organisation, or those who are wanting to develop their skills and knowledge as a sole trader or contractor.

This qualification allows individuals across a variety of industry sectors to develop skills and knowledge to start a new business or run an existing business.

Students who may enrol include several different cohorts:

- Students who are already running a small business
- Students who are seeking to establish a new venture as a part of an organisation
- Students with some experience who are upgrading skills

TOTAL COURSE UNITS – 10

4 CORE UNITS

- BSBESB401** Research and develop business plans
- BSBESB402** Establish legal and risk management requirements of new business ventures
- BSBESB403** Plan finances for new business ventures
- BSBESB404** Market new business ventures

6 ELECTIVE UNITS

- BSBESB301** Investigate business opportunities
- BSBESB302** Develop and present business proposals
- BSBOPS304** Deliver and monitor a service to customers
- BSBPEF301** Organise personal work priorities
- BSBCRT411** Apply critical thinking to work practices
- BSBWHS411** Implement and monitor WHS policies, procedures and programs

As course completion is based on the determination of competency, the total time taken to complete the course will vary based on the student's cohort and their existing skills and knowledge.
