COURSE DESCRIPTION

This qualification is best suited to students who are wanting to establish a new business or run an existing business as a sole trader or contractor, as well as those supporting the establishment of a new venture as part of a larger organisation. These individuals apply a broad range of competencies in varied contexts, using some discretion and judgement and relevant theoretical knowledge. They may provide technical advice and support to a small team.

This qualification allows individuals across a variety of industry sectors to develop basic skills and knowledge to start a new business or run an existing business. The aim of the course provided by Designer Life is to prepare the learner for employment in the relevant vocation.

Students who may enrol include:

- Students who are seeking to open a small business
- Students who are already running a small business
- Students with some experience who are upgrading skills

COURSE LENGTH

Up to 12 months. As course completion is based on the determination of competency, the total time taken to complete the course will vary based on the student's cohort and their existing skills and knowledge.
