

Certificate III in Cleaning Operations

CPP30321

 **Designer Life**
EMPLOYMENT • TRAINING • CAREERS

**Want to start, or grow your cleaning business?
We can help you to develop practical skills and
advance your knowledge of safe work practices
and customer service with this certificate course.**

This qualification reflects the role of cleaners responsible for undertaking a range of routine and non-routine tasks according to work schedules, liaising with clients and members of the public, and operating in a range of general residential and commercial settings as well as specialist cleaning environments. The cleaner may work alone, with or without supervision, and has responsibility for selecting, preparing and using appropriate cleaning methods for a range of cleaning situations while ensuring safe work practices.
